# **About Us**

SEAI is Ireland's national energy authority with a mission is to be at the heart of delivering Ireland's energy revolution. We drive the reduction and replacement of fossil fuel usage. We are a knowledge led organisation. We partner with citizens, communities, businesses and Government. We are trusted collaborators, innovators, funders and educators.

Our role is to transform the way we all use energy by moving to more efficient and clean sources, and by leading innovation in Ireland's approach to energy. If you are interested in working in an organisation that has a real and measurable impact on tackling our climate challenges, then consider a career with SEAI. To find out more about us as an organisation, click here.

Our culture in SEAI is defined by our values. These values define the way in which we strive to behave and act. SEAI's values include being **Passionate**, **Innovative**, **Courageous**, **Collaborative**, respecting the **Trust** you placed in us and recognising the importance of technical **Expertise**.

SEAI invites applications from suitably qualified candidates for this role. Full details of the role and how to apply are set out in this booklet.

Candidates should note that entry will be at the minimum of the salary scale and the rate of remuneration, including incremental progression, will not be subject to negotiation and may be adjusted from time to time in line with Government pay policy. Different terms and conditions may apply if you are currently a serving civil or public servant.

Canvassing will disqualify.

# **Position Profile**

**Title of Position:** 2024/DS.27a Programme Executive - Public Sector Pathfinders

**Starting Salary:** €50,501 pa

(Other arrangements may apply if coming directly from another civil or public service body)

Blended Working: Details available within booklet.

**Tenure:** 5-year fixed term contract.

**Head Office:** 3 Park Place, Hatch Street Upper,

Dublin 2, D02 FX65, Ireland

www.seai.ie

Work Location: Dublin, Dundalk, Cork, or Sligo.

Role Profile: We have an exciting opportunity for a Public Sector Pathfinders Programme

Executive in the Public Sector and Regulatory Programmes Department

The Public Sector and Regulatory Programmes Department develops, administers, and manages a range of energy efficiency and emissions reduction programmes, designed to deliver on Ireland's Climate Action Plan targets. These are aimed primarily at supporting the decarbonisation of public buildings and the delivery of regulatory programmes which support both domestic and non-domestic objectives.

### **Public Sector Pathfinders**

SEAI support key public bodies in developing retrofit and decarbonisation approaches of scale. This is a large capital partnership programme closely engaged in retrofit activities in schools, higher education, central government, healthcare, and local authority sectors.

The successful candidate will join an existing team of 4 programme executives and report to the Pathfinders Programme Manager.

The Programme Executive will support teams from across the public sector to identify, develop and deliver high impact retrofit programmes in their area.

This position will play a key role in the Public Sector and Regulatory Programmes Department.

Throughout SEAI, we believe in being welcoming, diverse and inclusive in our workplace, and in the services that we deliver, where we are respectful and value different experiences and perspectives. We are committed to achieving this for the benefit of all who work with SEAI and for all whom we support through our services'.

# Key Responsibilities, Knowledge and Skills

### Responsibilities

The responsibilities of the role outlined in this job description are indicative of the currently envisaged scope and may be added to or altered as required, in line with the requirement of SEAI across Business Units/Department.

They will include, but not limited to, the following:

- Provide planning, technical, and operational support to the Pathfinders Programme Manager as applicable, and Head of Department.
- Evaluate projects and undertake quality assurance activities to validate the completed works, which may include Measurement & Verification (M & V) activity.
- Monitor and track the progress of projects through the project lifecycle and support partners to meet programme requirements.
- Collect, collate, and report on operational impact and learnings of delivered projects.
- Preparation of reports relating to programme outcomes, performance, and trend analysis.
- Support procurement activities to appoint technical support resources for projects to comply with public procurement guidelines.
- Represent SEAI at meetings, site visits and events (including presentations and speaking engagements).
- Development and management of SEAI and third-party resources as required by the programme.
- Communication with programme stakeholders including development of guidance materials, web content, webinars, case studies, and responses to programme enquiries.
- Initiating and maintaining relationships with stakeholder organisations.
- Keep informed of and disseminate relevant policy in the programme area at EU and national level.
- Support and collaborate with other SEAI internal programmes such as EEOS, SSRH and District Heating.
- Support programme efficiency and effectiveness through contributing to the development and continual improvement of new and existing processes, as well as ensuring transparency and simplicity for both technical and non-technical audiences.
- Input to the ongoing development of the programme strategy and work programme.
- Participate in strategic policy development supporting both national policy (including the Climate Action Plan) and SEAI priorities, within the team and other programme areas as required.
- Supporting development and arising engineering change requirements of the IT systems for the programme, liaising with IT colleagues and outsourced service provider to implement changes as required.
- Any other ad-hoc duties that may be assigned by the Programme Manager or Head of Department,

To ensure that activity peaks within the Department are addressed in a proactive manner, it is expected that the candidate appointed to this role will need to be flexible in terms of working hours during these periods.

### Knowledge & Skills

The knowledge and skills required include but are not limited to the following:

- Knowledge of wider context, including broader policy goals for the energy sector at EU and national level and an understanding of Ireland's energy efficiency related activities and associated legislative frameworks.
- Experience of working in an energy-related policy environment across the public sector, academia, or industry,
- Strong written and verbal communication skills, including report writing, presenting, public speaking, and the ability to communicate technical information (written and oral) to non-technical audiences,
- Project management/organisation of concurrently running work and competing demands, flexibility to deliver short term and long-term goals.
- Strong proactive approach to setting and achieving results, including managing scope, time, risks, cost, and quality.
- Analysis and problem-solving skills with strong attention to detail and ability to think strategically and use sound judgement on complex issues.
- Commitment to quality and continual improvement.
- Strong interpersonal skills, including ability to foster positive working relationships and work collaboratively with internal colleagues (multi-disciplinary), third party experts and external stakeholders.
- Well-developed IT skills.
- Ability to work on own initiative and to deadlines/milestones.
- Awareness of key challenges for successful energy efficiency policy including the need to ensure lifecycle sustainability, stakeholder acceptance and value for money.

# **Experience and Qualifications**

### **ESSENTIAL REQUIREMENTS**

The successful candidate must be able to demonstrate:

- A third level qualification (a minimum of NFQ Level 7or greater) or equivalent professional qualification in a relevant technical discipline such as Engineering or Science.
- A minimum of three years of experience working in a related field (postgraduate studies may be included).
- A good understanding of energy efficiency or renewable energy opportunities in industry, commercial and/or public sector.
- Excellent team-player skills, with experience of managing projects involving a diverse range of internal and external stakeholders.
- Strong written and verbal communication skills (including report writing, presenting and public speaking) with an ability to communicate complex concepts to non-technical audiences.

### **DESIRABLE REQUIREMENTS**

- Experience in working in building energy retrofit activities.
- Evidence of experience assessing energy saving opportunities across sectors
- Evidence of experience with energy management systems and / or energy efficient design management and / or measurement and verification protocols.
- A qualification in project management.
- Experience of working in energy-related policy environment across the public sector, academia, or industry.
- Advanced MS Excel skills.
- A knowledge of the barriers and issues facing construction project delivery.

# How to Apply

SEAI invites applications from suitably qualified candidates for this role, as set out in this booklet. SEAI is an equal opportunities employer and welcomes applications from people from diverse backgrounds and under-represented groups including ethnic minorities and people with disabilities.

### Submission

Applications should be submitted in the form of a cover letter (max of two pages) demonstrating how the applicant meets the requirements for this role as set out in this booklet together with an up-to-date Curriculum Vitae (CV). Both documents should be submitted via the candidate portal on the SEAI careers <a href="website">website</a> www.seai.ie/careers/open-roles

# Eligibility to Work

The SEAI has a legal obligation to ensure that all employees are lawfully entitled to work in Ireland. To qualify, candidates must hold a valid visa on the date of application and where applicable to support a candidate's application, candidates must submit a valid work permit/visa confirming permission to work in Ireland when requested. Failure to submit the required evidence, and failure to hold a valid permit/visa during the period of the contract, will result in the application and/or contract of employment being rendered void.

Note in respect of UK citizens: Information regarding the Common Travel Area is available <a href="here.">here.</a>

# Closing Date

Your application must be received by **midnight** on **Sunday 27<sup>th</sup> October 2024**.

Applications will not be accepted after this time and date. All applications will be acknowledged by email within three working days. If you do not receive an acknowledgement within three working days, please contact recruitment@seai.ie

### Shortlisting

Eligible applications will be shortlisted according to how well the experience and skills as described by applicants match the requirements of this role of as outlined above as contained in this booklet. It is important that applicants consider the information contained in this Information Booklet in presenting and demonstrating their relevant qualification, skills and experience for this role. The candidates whose applications, in the expertise of the interview panel, appear best suited to the position will be shortlisted for interview.

### **Interview**

An interview process will be held with an interview panel in accordance with SEAI arrangements for posts at this level. Shortlisted applicants will be invited to attend for a competency-based interview. A presentation may be required on a topic of relevance to the role and/ or other such assessment methods as deemed appropriate. The SEAI may invite candidates to a second-round interview and to undergo

further assessment, including the use of psychometric assessment if so required. Interviews may take place in person or online, as appropriate.

Candidates are not permitted to use any type of recording equipment at any stage of the selection process unless written permission has been provided in advance of the process. This applies to any form of sound recording and any type of video recording, whether including sound recording or not, and covers any type of device used for these purposes.

Prior to recommending any candidate for appointment to this position, SEAI will make all such enquiries deemed necessary to find that candidate's suitability. Until all stages of the recruitment process have been fully completed, a final decision cannot be made,

# Key Competencies

At interview, candidates should demonstrate the ability to carry out successfully the duties of the role, as well as the general skills and competencies required at Level D grade. The key competencies that have been developed for roles at this grade level are as follows.

- Team Leadership
- Analysis and Decision Making
- Management and Delivery of Results
- Interpersonal and Communication Skills
- Specialist Knowledge, Expertise and Self Development
- Drive and Commitment to Public Service Values

Each of the key competencies is supported by a list of key performance indicators which are available **here**.

Candidates are strongly encouraged to prepare in advance of the interview, clear and relevant examples of how they have previously demonstrated these specific competencies.

# Deeming of Candidate to be Withdrawn

Candidates who do not attend for interview or other tests when and where required, or who do not, when requested, furnish such evidence, as the SEAI require regarding any matter relevant to their candidature, will have no further claim to consideration.

### **Feedback**

Feedback will be provided to interviewees on written request.

### **Code of Practice**

This campaign is being organised in accordance with the existing Code of Practice 'Appointment to Positions in the Civil Service and Public Service' published by the Commissioners for Public Service Appointments (CPSA).

# **SEAI Values**

### **Passionate**

society.

We are enthusiastic about our role in working towards

We channel our passion and commitment into the way we operate to ensure that we will deliver for all of Irish society

a sustainable energy

### Courageous

We understand the scale of Ireland's energy challenge and accept our role in meeting this challenge.
We understand that every

We understand that every one of us has a part to play in delivering the energy changes that Ireland needs.

## **Innovative**

We know that existing technologies and processes alone will not allow us to realise a fully sustainable energy society. We are continually learning, seeking new solutions, and constantly adapting to meet the demands of our fast-changing environment.

# Trusted

**Experts** 

# Collaborative

We appreciate the trust placed in us by citizens, communities, business and Government. Without it we could not deliver on these objectives. We respect this trust and seek to maintain it by obtaining transparently, working with integrity, holding ourselves accountable and functioning independently.

We recognise the importance that technical expertise lays in achieving a sustainable energy future. We seek to further enhance this expertise within SEAI through research, critical thinking, consultation, listening, analysis and delivery.

We will not succeed by operating in isolation. We actively look to work with all those in Irish society; listening to ideas and concerns, incorporating feedback and looking to support every individual, community and business in Ireland to be a part of the sustainable energy revolution.

# **Employee Value Proposition**

# **Benefits**

- Modern Dublin HQ located centrally and accessible with many transport options.
- Regional office in Cork, Dundalk, and Sligo.
- Hybrid working model (up to two days in office, three days remote with option for 1-month remote p/annum).
- Employee Assistance Programme.
- Cycle to work scheme.

- Numerous different career paths across the organisation.
- Training and mentoring programmes.
- Investment in individual learning and development.
- Leadership training and development.

# Conditions of Service

Tenure: This position will be offered on a 5-year Fixed Term contract basis.

# Salary Payment Arrangements:

The Level D salary scale for this position effective from 1<sup>st</sup> October 2024 is as follows: €50,501 to €74,276 (inclusive of one Long Service Increment (LSI1) which applies after three years additional service at Max of grade). Incremental progression will be subject to satisfactory performance.

### **Important Note:**

Candidates should note that entry will be at the first point of the scale and the rate of remuneration, including incremental progression, will not be subject to negotiation and may be adjusted from time to time in line with Government pay policy.

Different terms and conditions may apply if you are currently a serving civil or public servant.

**Location:** The place of work will be based at one of the SEAI offices as listed on cover

page. SEAI offer the option to work in a hybrid working arrangement, in line with the SEAI Blended Working Policy. SEAI reserves the right, at its discretion, to change working location within reason on any future date.

Blended Working Arrangements:

As an employer, SEAI operates a blended working policy that facilitates access to remote working options having regard to work-life balance/integration, mental health, and the need for a safe and productive working environment. Blended working arrangements will be operated under SEAI's Blended Working Policy, which currently requires staff to work from the office a minimum of two (2) days per week. Availability and patterns of blended working will be based on business needs and the suitability of the role and may be subject to change should the business needs dictate.

Probation: On appointment, the appointee will serve a six (6) month probationary

period. In certain circumstances, the probation period may be extended, in

line with the SEAI's Probationary Policy and Procedures.

Working Week: Hours of attendance will be as fixed from time to time but will amount, on

average, to not less than 41.25 hours per week (35 hours net of rest breaks). Pro-Rata will apply in the case of part-time role. Additional hours may from time to time be reasonably required to meet the requirements of the position. No additional payment will be made for extra attendance as the rate of remuneration payable covers any exceptional extra attendance

liability that may arise from time to time.

Annual Leave: The annual leave allowance will be 29 working days a year, based on a

five-day week and is exclusive of public holidays. Pro-rata will apply in the case of part-time role. Annual Leave is to be taken at a time or times

convenient to SEAI.

Eligibility to Work: The SEAI has a legal obligation to ensure that all employees are lawfully entitled to work in Ireland. Where applicable and to support a candidate's

application, candidates must submit a valid work permit/visa confirming permission to work in Ireland. Failure to submit the required evidence, and

failure to hold a valid permit/visa during the period of the contract, will result in the application and/or contract of employment being rendered void.

### Those not eligible to apply for the role

- Collective Agreement: Redundancy Payments to Public Servants
- Incentivised Scheme for Early Retirement (ISER)
- Department of Health and Children Circular (7/2010)
- Department of Environment, Community & Local Government (Circular Letter LG(P) 06/2013).

### **Declaration:**

Applicants will be required to declare whether they have previously availed of a public service scheme of incentivised early retirement and/or the collective agreement outlined above. Applicants will also be required to declare any entitlements to a Public Service pension benefit (in payment or preserved) from any other Public Service employment.

# Other Conditions of Employment:

The above represents the principal conditions of service and is not intended to be the comprehensive list of all terms and conditions of employment which will be set out in the employment contract to be agreed with the appointee.

### Standard Checks:

Any offer of employment made to a successful candidate will be subject to satisfactory reference verification and satisfactory verification of academic and professional qualifications. SEAI commits to treat all the information or documents received under GDPR guidelines.

### **Garda Vetting:**

SEAI is set up with a registered organization for Garda vetting purposes. You may be asked to make an application to be vetted.

# Superannuation and Retirement:

The appointee will be offered the appropriate superannuation terms and conditions as prevailing in the Public Service at the time of being offered an appointment. In general, an appointee who has never worked in the Public Service will be offered appointment based on membership of the Single Public Service Pension Scheme ("Single Scheme").

Full details of the Scheme are at http://www.per.gov.ie/pensions
