About Us

SEAI is Ireland's national energy authority with a mission to be at the heart of delivering Ireland's energy revolution. We drive the reduction and replacement of fossil fuel usage. We are a knowledge led organisation. We partner with citizens, communities, businesses and Government. We are trusted collaborators, innovators, funders and educators.

Our role is to transform the way we all use energy by moving to more efficient and clean sources, and by leading innovation in Ireland's approach to energy. If you are interested in working in an organisation that has a real and measurable impact on tackling our climate challenges, then consider a career with SEAI.

To find out more about us as an organisation, click [here](#).

Our culture in SEAI is defined by our values. These values define the way in which we strive to behave and act. SEAI's values include being **Passionate, Innovative, Courageous, Collaborative**, respecting the **Trust** you placed in us and recognising the importance of technical **Expertise**.

SEAI invites applications from suitably qualified candidates for this role. Full details of the role and how to apply are set out in this booklet.

Candidates should note that entry will be at the minimum of the salary scale and the rate of remuneration, including incremental progression, will not be subject to negotiation and may be adjusted from time to time in line with Government pay policy. Different terms and conditions may apply if you are currently a serving civil or public servant.

Canvassing will disqualify.

Position Profile

Title of Position: 2024/DS.35 Programme Manager – One Stop Shop

Starting Salary: €79,086 pa
(Other arrangements may apply if coming directly from another civil or public service body)

Blended Working: Details available within booklet.

Tenure: 5-year fixed term contract.

Head Office: 3 Park Place, Hatch Street Upper,
Dublin 2, D02 FX65, Ireland
www.seai.ie

Work Location: Dublin.

Role Profile: We have an exciting opportunity in the One Stop Shop (OSS) Team in the Communities & National Retrofit Department.

SEAI has been designated as the National Retrofit Delivery Body for delivering on Ireland's target of upgrading 500,000 homes to B2 by 2030. Ireland's national retrofit programme is aimed at upgrading the Irish housing stock to high standards of energy efficiency, renewable energy, and decarbonisation.

The One Stop Shop team supports the registration and development of companies registering as OSS. An OSS provides an end-to-end service to homeowners to advise and deliver energy upgrades. The team's main goals are engaging and registering companies as OSS, monitoring and reporting on the OSS in partnership with the retrofit programmes through the quarterly business reports and developing the OSS to continually improve their service.

This position will play a key role in the Retrofit Directorate. The successful candidate will be responsible for growing the number of One Stop Shops in Ireland, through developing and registering new One Stop Shop companies and supporting their development. You will join an enthusiastic and innovative team who are committed to the high-quality development and management of the OSS providers.

You will be working with retrofit programmes across the Retrofit Directorate. Currently, OSSs can provide upgrades to homeowners through the National Home Energy Upgrade scheme, and the Individual Energy Upgrade scheme (formerly Better Energy Homes). The Programme Manager will report to the Head of Communities & National Retrofit.

Throughout SEAI, we believe in being welcoming, diverse and inclusive in our workplace, and in the services that we deliver, where we are respectful and value different experiences and perspectives. We are committed to achieving this for the benefit of all who work with SEAI and for all whom we support through our services'.

Each of the key competencies is supported by a list of key performance indicators which are available [here](#)

Candidates are strongly encouraged to prepare in advance of the interview, clear and relevant examples of how they have previously demonstrated these specific competencies.

Deeming of Candidate to be Withdrawn

Candidates who do not attend for interview or other tests when and where required, or who do not, when requested, furnish such evidence, as the SEAI require regarding any matter relevant to their candidature, will have no further claim to consideration.

Feedback

Feedback will be provided to interviewees on written request.

Code of Practice

This campaign is being organised in accordance with the existing Code of Practice 'Appointment to Positions in the Civil Service and Public Service' published by the Commissioners for Public Service Appointments (CPSA).

SEAI Values

Passionate

We are enthusiastic about our role in working towards a sustainable energy society. We channel our passion and commitment into the way we operate to ensure that we will deliver for all of Irish society

Courageous

We understand the scale of Ireland's energy challenge and accept our role in meeting this challenge. We understand that every one of us has a part to play in delivering the energy changes that Ireland needs.

Innovative

We know that existing technologies and processes alone will not allow us to realise a fully sustainable energy society. We are continually learning, seeking new solutions, and constantly adapting to meet the demands of our fast-changing environment.

Trusted

We appreciate the trust placed in us by citizens, communities, business and Government. Without it we could not deliver on these objectives. We respect this trust and seek to maintain it by obtaining transparently, working with integrity, holding ourselves accountable and functioning independently.

Experts

We recognise the importance that technical expertise lays in achieving a sustainable energy future. We seek to further enhance this expertise within SEAI through research, critical thinking, consultation, listening, analysis and delivery.

Collaborative

We will not succeed by operating in isolation. We actively look to work with all those in Irish society; listening to ideas and concerns, incorporating feedback and looking to support every individual, community and business in Ireland to be a part of the sustainable energy revolution.
