# About Us

SEAI is Ireland's national energy authority with a mission to be at the heart of delivering Ireland's energy revolution. We drive the reduction and replacement of fossil fuel usage. We are a knowledge led organisation. We partner with citizens, communities, businesses and Government. We are trusted collaborators, innovators, funders and educators.

Our role is to transform the way we all use energy by moving to more efficient and clean sources, and by leading innovation in Ireland's approach to energy. If you are interested in working in an organisation that has a real and measurable impact on tackling our climate challenges, then consider a career with SEAI. To find out more about us as an organisation, click [here](#).

Our culture in SEAI is defined by our values. These values define the way in which we strive to behave and act. SEAI's values include being **Passionate, Innovative, Courageous, Collaborative**, respecting the **Trust** you placed in us and recognising the importance of technical **Expertise**.

SEAI invites applications from suitably qualified candidates for this role. Full details of the role and how to apply are set out in this booklet.

Candidates should note that entry will be at the minimum of the salary scale and the rate of remuneration, including incremental progression, will not be subject to negotiation and may be adjusted from time to time in line with Government pay policy. Different terms and conditions may apply if you are currently a serving civil or public servant.

**Canvassing will disqualify.**

# Position Profile

**Title of Position:** 2025/DS.01 Warmer Homes Technical Engineer

**Starting Salary:** €72,511pa

(Other arrangements may apply if coming directly from another civil or public service body)

**Blended Working:** Details available within booklet.

**Tenure:** 5-year fixed term contract.

**Head Office:** 3 Park Place, Hatch Street Upper,  
Dublin 2, D02 FX65, Ireland  
[www.seai.ie](http://www.seai.ie)

**Work Location:** Dublin.

**Role Profile:** We have an exciting opportunity in National Retrofit Directorate Unit's Delivery Department Warmer Homes (WH) Programme reporting Programme Manager Warmer Homes.

The position of Warmer Homes Technical Engineer will play a key role in delivery of this pivotal programme focused on the alleviation of energy poverty whilst supporting the achievement of Ireland's Climate Action Plan.

As a Technical Engineer on the Warmer Homes Programme, you will develop technical capabilities of the programme in line with prevailing building regulations, policy and evolving technical developments, thereby enhancing the WH Programme offering to citizens.

This position will play a key role on the Warmer Homes Programme.

The successful candidate will join an enthusiastic and innovative team who are committed to the high-quality delivery of SEAI's mission and our associated climate action goals.

Throughout SEAI, we believe in being welcoming, diverse and inclusive in our workplace, and in the services that we deliver, where we are respectful and value different experiences and perspectives. We are committed to achieving this for the benefit of all who work with SEAI and for all whom we support through our services'.

# Key Responsibilities, Knowledge and Skills

## Responsibilities

The responsibilities of the role outlined in this job description are indicative of the currently envisaged scope and may be added to or altered as required, in line with the requirement of SEAI across Business Units/Department.

They will include, but not limited to, the following:

- Continued development of the technical offering of the Warmer Homes Programme including.
- Development of the renewable capabilities of the WH Programme including the Renewables Pilot and informing and development programme approach based on key insights.
- Technical resolution of cases as they arise working closely with other key WH Team members in resolving cases.
- Keeping abreast with best practice and where relevant applying in the form of programme enhancements.
- Lead approaches to modelling of homes using key data approaches to streamline process delivery.
- Engage, support, and review both process and quality improvement in collaboration with key WH Programme team members.
- Undertake any other duties/projects as may be assigned from time to time within the wider residential programme and across other SEAI Business Units.

To ensure that activity peaks within the Department are addressed in a proactive manner, it is expected that the candidate appointed to this role will need to be flexible in terms of working hours during these periods.

## Knowledge & Skills

The knowledge and skills required include but are not limited to the following:

- Excellent communication (written and oral) and interpersonal skills, including ability to communicate technical information to non-technical audiences.
- Strong technical understanding of building physics and the interactions between all key technical aspects in a retrofit setting.
- Strong analytical and data-based approach to technical decision making.
- Strong project management and organisation skills and knowledge of business process management.
- Good understanding of building regulation and its relationship for retrofit.
- Experience working in a multi-disciplinary team and managing projects involving a diverse range of internal and external stakeholders.
- Networking and relationship development capability.

- Good understanding of all supports available across SEAI relevant to programmes.
- Well-developed IT skills (Word, Excel, PowerPoint, SharePoint).
- Ability to work on own initiative and to deadlines/milestones.
- A capacity to foster a positive working relationship with colleagues and external stakeholders; to work in multi-disciplinary teams and to network effectively.
- Flexible approach to problem solving and decision making to ensure the best solution is achieved focusing on the need for greater efficiency and effective delivery.
- Strong proactive approach to achieving results, including managing scope, time, risk assessment, cost, and quality.

# Experience and Qualifications

## ESSENTIAL REQUIREMENTS

The successful candidate must be able to demonstrate:

- A degree (a minimum of NFQ Level 7 or greater) or equivalent professional qualification in a relevant technical discipline such as Engineering, Science, Architecture, or Energy Management/Retrofit.
- Minimum 5 years' experience of working in this or a related sector or in a similar role.
- Strong project management and organisation skills and knowledge of technical development experience, including change management, scope, risk, and process management.
- Strong written and verbal communication skills, including report writing, presenting, public speaking, and the ability to communicate complex concepts to both technical and non-technical audiences.

## DESIRABLE REQUIREMENTS

- Knowledge of retrofit technologies, solutions including specific expertise in the design and deployment of retrofit solutions.
- Experience ideally in the energy or retrofit sector.
- Understanding of project management methodologies.
- Good experience of change projects and programme innovation.

# How to Apply

SEAI invites applications from suitably qualified candidates for this role, as set out in this booklet. SEAI is an equal opportunities employer and welcomes applications from people from diverse backgrounds and under-represented groups including ethnic minorities and people with disabilities.

**Submission** Applications should be submitted in the form of a cover letter (max of two pages) demonstrating how the applicant meets the requirements for this role as set out in this booklet together with an up-to-date Curriculum Vitae (CV). Both documents should be submitted via the candidate portal on the SEAI careers [website](https://www.seai.ie/careers/open-roles) [www.seai.ie/careers/open-roles](https://www.seai.ie/careers/open-roles)

**Eligibility to Work** The SEAI has a legal obligation to ensure that all employees are lawfully entitled to work in Ireland. To qualify, candidates must hold a valid visa on the date of application and where applicable to support a candidate's application, candidates must submit a valid work permit/visa confirming permission to work in Ireland when requested. Failure to submit the required evidence, and failure to hold a valid permit/visa during the period of the contract, will result in the application and/or contract of employment being rendered void.

Note in respect of UK citizens: Information regarding the Common Travel Area is available [here](#).

**Closing Date** Your application must be received by **midnight on Thursday 30<sup>th</sup> January 2025**.

Applications will not be accepted after this time and date. All applications will be acknowledged by email within three working days. If you do not receive an acknowledgement within three working days, please contact [recruitment@seai.ie](mailto:recruitment@seai.ie)

**Shortlisting** Eligible applications will be shortlisted according to how well the experience and skills as described by applicants match the requirements of this role as contained in this booklet. It is important that applicants consider the information contained in this Information Booklet in presenting and demonstrating their relevant qualification, skills and experience for this role. The candidates whose applications, in the expertise of the interview panel, appear best suited to the position will be shortlisted for interview.

<b>Interview</b>	<p>An interview process will be held with an interview panel in accordance with SEAI arrangements for posts at this level. Shortlisted applicants will be invited to attend for a competency-based interview. A presentation may be required on a topic of relevance to the role and/ or other such assessment methods as deemed appropriate. The SEAI may invite candidates to a second-round interview and to undergo further assessment, including the use of psychometric assessment if so required. Interviews may take place in person or online, as appropriate.</p> <p>Candidates are not permitted to use any type of recording equipment at any stage of the selection process unless written permission has been provided in advance of the process. This applies to any form of sound recording and any type of video recording, whether including sound recording or not, and covers any type of device used for these purposes.</p> <p>Prior to recommending any candidate for appointment to this position, SEAI will make all such enquiries deemed necessary to find that candidate's suitability. Until all stages of the recruitment process have been fully completed, a final decision cannot be made,</p>
<b>Key Competencies</b>	<p>At interview, candidates should demonstrate the ability to carry out successfully the duties of the role, as well as the general skills and competencies required at Eng 11/Prof Acct 11 grade (aligned with Assistant Principal level competencies). The key competencies that have been developed for roles at this grade level are as follows.</p> <ul style="list-style-type: none"><li>• Leadership</li><li>• Judgement, Analysis &amp; Decision Making</li><li>• Management &amp; Delivery of Results</li><li>• Interpersonal &amp; Communication Skills</li><li>• Specialist Knowledge, Expertise and Self Development</li><li>• Drive and Commitment to Public Service Values</li></ul> <p>Each of the key competencies is supported by a list of key performance indicators which are available <a href="#">here</a></p> <p>Candidates are strongly encouraged to prepare in advance of the interview, clear and relevant examples of how they have previously demonstrated these specific competencies.</p>
<b>Deeming of Candidate to be Withdrawn</b>	<p>Candidates who do not attend for interview or other tests when and where required, or who do not, when requested, furnish such evidence, as the SEAI require regarding any matter relevant to their candidature, will have no further claim to consideration.</p>
<b>Feedback</b>	<p>Feedback will be provided to interviewees on written request.</p>
<b>Code of Practice</b>	<p>This campaign is being organised in accordance with the existing Code of Practice 'Appointment to Positions in the Civil Service and Public Service' published by the Commissioners for Public Service Appointments (CPSA).</p>

# SEAI Values

## Passionate

We are enthusiastic about our role in working towards a sustainable energy society. We channel our passion and commitment into the way we operate to ensure that we will deliver for all of Irish society

## Courageous

We understand the scale of Ireland's energy challenge and accept our role in meeting this challenge. We understand that every one of us has a part to play in delivering the energy changes that Ireland needs.

## Innovative

We know that existing technologies and processes alone will not allow us to realise a fully sustainable energy society. We are continually learning, seeking new solutions, and constantly adapting to meet the demands of our fast-changing environment.

## Trusted

We appreciate the trust placed in us by citizens, communities, business and Government. Without it we could not deliver on these objectives. We respect this trust and seek to maintain it by obtaining transparently, working with integrity, holding ourselves accountable and functioning independently.

## Experts

We recognise the importance that technical expertise lays in achieving a sustainable energy future. We seek to further enhance this expertise within SEAI through research, critical thinking, consultation, listening, analysis and delivery.

## Collaborative

We will not succeed by operating in isolation. We actively look to work with all those in Irish society; listening to ideas and concerns, incorporating feedback and looking to support every individual, community and business in Ireland to be a part of the sustainable energy revolution.

# Conditions of Service

<b>Tenure:</b>	This position will be offered on a 5-year Fixed Term contract basis.
<b>Salary Payment Arrangements:</b>	<p>The Eng11/Prof Acct 11 salary scale for this position effective from 1<sup>st</sup> October 2024 is as follows: €72,511 to €88,429 (inclusive of two Long Service Increment which applies after three- and six-years additional service at Max of grade). Incremental progression will be subject to satisfactory performance.</p> <p><b>Important Note:</b> Candidates should note that entry will be at the first point of the scale and the rate of remuneration, including incremental progression, will not be subject to negotiation and may be adjusted from time to time in line with Government pay policy.</p> <p>Different terms and conditions may apply if you are currently a serving civil or public servant.</p>
<b>Location:</b>	<p>The place of work will be based at one of the SEAI offices as listed on cover page. SEAI offer the option to work in a hybrid working arrangement, in line with the SEAI Blended Working Policy.</p> <p>SEAI reserves the right, at its discretion, to change working location within reason on any future date.</p>
<b>Blended Working Arrangements:</b>	<p>As an employer, SEAI operates a blended working policy that facilitates access to remote working options having regard to work-life balance/integration, mental health, and the need for a safe and productive working environment. Blended working arrangements will be operated under SEAI's Blended Working Policy, which currently requires staff to work from the office a minimum of two (2) days per week. Availability and patterns of blended working will be based on business needs and the suitability of the role and may be subject to change should the business needs dictate.</p>
<b>Probation:</b>	<p>On appointment, the appointee will serve a six (6) month probationary period. In certain circumstances, the probation period may be extended, in line with the SEAI's Probationary Policy and Procedures.</p>
<b>Working Week:</b>	<p>Hours of attendance will be as fixed from time to time but will amount, on average, to not less than 41.25 hours per week (35 hours net of rest breaks). Pro-Rata will apply in the case of part-time role. Additional hours may from time to time be reasonably required to meet the requirements of the position. No additional payment will be made for extra attendance as the rate of remuneration payable covers any exceptional extra attendance liability that may arise from time to time.</p>
<b>Annual Leave:</b>	<p>The annual leave allowance will be <b>27 working days</b> a year, based on a five-day week and is exclusive of public holidays. Pro-rata will apply in the case of part-time role. Annual Leave is to be taken at a time or times convenient to SEAI.</p>

**Eligibility to Work:** The SEAI has a legal obligation to ensure that all employees are lawfully entitled to work in Ireland. Where applicable and to support a candidate's application, candidates must submit a valid work permit/visa confirming permission to work in Ireland. Failure to submit the required evidence, and failure to hold a valid permit/visa during the period of the contract, will result in the application and/or contract of employment being rendered void.

**Those not eligible to apply for the role**

Former Irish Public Service Employees - Certain Restrictions on Eligibility. Eligibility to apply for a position may be affected where applicants were formerly employed by an Irish Public Sector body and previously availed of an Irish Public Service Redundancy or Incentivised Retirement Scheme including the below. For details on restrictions click [here](#).

- Collective Agreement: Redundancy Payments to Public Servants
- Incentivised Scheme for Early Retirement (ISER)
- Department of Health and Children Circular (7/2010)
- Department of Environment, Community & Local Government (Circular Letter LG(P) 06/2013).

**Declaration:** Applicants will be required to declare whether they have previously availed of a public service scheme of incentivised early retirement and/or the collective agreement outlined above. Applicants will also be required to declare any entitlements to a Public Service pension benefit (in payment or preserved) from any other Public Service employment.

**Other Conditions of Employment:** The above represents the principal conditions of service and is not intended to be the comprehensive list of all terms and conditions of employment which will be set out in the employment contract to be agreed with the appointee.

**Standard Checks:** Any offer of employment made to a successful candidate will be subject to satisfactory reference verification and satisfactory verification of academic and professional qualifications.

SEAI commits to treat all the information or documents received under GDPR guidelines

**Garda Vetting:** SEAI is set up with a registered organization for Garda vetting purposes. You may be asked to make an application to be vetted.

**Confidentiality:** The above represents the principal conditions of service and is not intended to be the comprehensive list of all terms and conditions of employment which will be set out in the employment contract to be agreed with the appointee.

**Superannuation and Retirement:** The appointee will be offered the appropriate superannuation terms and conditions as prevailing in the Public Service at the time of being offered an appointment. In general, an appointee who has never worked in the Public Service will be offered appointment based on membership of the Single Public Service Pension Scheme ("Single Scheme").

Full details of the Scheme are at <http://www.per.gov.ie/pensions>
