

G: De Minimis Aid Declaration – EC Regulation 1407/2013

Commission Regulation (EU) No 2023/2831 of 13 December 2023 amending Commission Regulation (EU) No. 1407/2013. De Minimis Aid - EC Regulation 1407/2013 deals with 'De Minimis' aid and sets a limit on how much assistance can be given to organisations without the prior approval of the EU Commission. The current limit for a company, group, or other undertaking irrespective of size or location, is €300,000 over a three-year period. De Minimis Aid is small amounts of State Aid given to companies. It can come from any State body, agency or Government department.

This Better Energy Homes Grant is being operated under the De Minimis regulation. SEAI must ensure that any grant approved for a company/ undertaking, when added to other aid, will not bring them above the allowed limit. As an Applicant you are also obliged to ensure you stay within the limits. Therefore, you must make a full declaration of all other De Minimis Aid received in the last three years.

When completing the declaration below you should consider that aid includes assistance such as free or subsidised consultancy services as well as direct grant support.

If you are in any doubt whether support you have received is De Minimis Aid then please include it.
