

## Individual Home Energy Upgrades

Effective February 2022 - Island homeowners are entitled to additional grant support with up to 50% additional grant funding for all grant measures with the exception of: Attic, Cavity & Heating Controls where grants of approx. 80% are provided as standard.

We would also advise homeowners to contact us directly with any questions they have before they start any works either by phone 01 808 2004 or email [info@seai.ie](mailto:info@seai.ie)
